

Lamorinda Environmental Action Fellowship (LEAF)

How would you use \$1,000 to create a beneficial environmental impact for the Lamorinda community?

Overview

- LEAF is a \$1,000 award available to Lamorinda middle and high school students with sustainable and environmentally impactful ideas that would benefit the Lamorinda community
- The award must be used to execute the idea, ideally over the course of one year or longer
- To be eligible, you must be a Lamorinda middle or high school student (must have proof of residency)
- Award recipients must follow up with Sustainable Lafayette within 6 months to demonstrate progress against the award

Benefits

- Students are given an opportunity to bring their ideas to life as the next generation of environmental stewards
- Lamorinda community inherits new ideas to help make environmentally conscious choices
- Enriches the relationship between Lafayette, Moraga and Orinda as we broaden the opportunity for deeper engagement within the overall community

Judging

- The Sustainable Lafayette Board of Directors will vote on submissions the second Tuesday of each month
- Candidates may be asked to present their ideas to the Board via a Zoom meeting
